**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband services in Healdsburg, CA. I have been with the local, homegrown ISP for many years. I choose Sonic over ATT because I believe that any competition from the little guy is always good for the market. My father chose to sign up with Sonic for the very same reason and he was a long time employee of Western Electric before it got acquired by the conglomerate. The customer service provided by Sonic is exceptional. Can't say that for ATT or Comcast, can you? Please give small business a chance to thrive. America will gain from the rivalry.
